

Molar gas volume

Pre-Lesson Assignment P.27-28

Define the following terms

- Molar gas volume

Make notes on Molar gas volume

Use the following questions as guidance.

1. State the molar gas volume at RTP
2. Show how moles of a gas can be calculated from molar gas volume.

Now we are at the end of the topic, please complete and mark the summary questions on pages 11, 14, 18, and 21.

It is also strongly recommended that you use p19 in your revision. A mark-scheme can be found here:
